WE APPRECIATE YOUR SKILL IN RECOGNIZING THE VALUE OF OUTSOURCING YOUR MAIL!

Would you please consider referring our service to one of your colleagues? We would appreciate the new customer and they would appreciate the fact that you turned them onto one of the best office admin tools ever for bankruptcy practitioners. In addition, the larger our client pool gets, the more leverage we have in purchasing supplies. This allows us to keep your costs down!

Thank you for using www.certificateofservice.com. Your business is important to us. Please find the certificate of service attached hereto. You may now file this certificate on ECF/PACER to prove up your service requirement. PLEASE TAKE NOTE: You are responsible for compliance with all local rules. Our generic certificate may not satisfy your local rules in which case, you will need to create your own local rule compliance service document and attach our certificate as an exhibit. We apologize for any inconvenience. If you would like us to work with your local Clerk or Judge, we will be happy to reach out to them.

May we ask you to leave a review of our services at CertificateofService.com?

If you would, we would be grateful for your positive review of your experience with us.

If you did not have a positive experience, please pick up the phone right now and talk to us.

We would like to have the opportunity to make it right.

MISCELLANEOUS FEE(S):

If there are miscellaneous charges to your particular job, it is because there was an issue that set your job apart. These typically occur when there are special considerations for the printing and mailing of your documents. For example, HIPPA compliance can result in some miscellaneous charges. If you have any questions about them, do not hesitate to contact us at (509) 412-1356.

PRINTING PRICE EXPLANATION: (IMPORTANT!!!)

It is important to understand how we price our services. The charge of fifteen cents per page is assessed based upon the number of pages in your .pdf uploaded files. It is NOT based on how many pages are output and placed in the envelope. When you upload your documents, check to see how many pages are in the files you are uploading. This will determine the amount you will be charged. If you believe the charges are excessive, you can pre-reduce your document prior to upload and cut your bill in half.

To view a video about pre-reducing your documents please follow the link here: www.bkattorneyservices3.com/main/in_016.htm
